

Cedar Medical Travel Form

- When planning foreign travel, please look at: www.travelhealthpro.org.uk for details of vaccinations needed and general travel health advice.
- If vaccinations are needed, some of these may be available from us.
- The surgery does not provide travel vaccinations for Rabies, Japanese Encephalitis or Cholera and will need to be sourced from a private travel clinic.
- The surgery does provide Yellow Fever and Hepatitis B Vaccinations at a cost so please refer to the price list on our website.
- Malaria tablets are available from pharmacies.
- If you would like us to provide your vaccinations, please complete this form, take it to reception who will then pass it to our travel clinic nurse. She will then phone you to discuss your form and information provided, if necessary she will book and appointment in our Monday travel clinic at Beggarwood Surgery with you.
- Please allow 6 weeks prior to travel for an appointment. We are unable to offer vaccines at short notice or without completing this form.
- Thank you.
